Apple Inc. iPhone User Guide for iOS 11.4

Take selfies with Portrait Lighting. Highlight your face with a stunning effect. In Camera, choose Portrait, then drag to choose the lighting. See [Take photos](#).

Charge wirelessly. Place iPhone X on a Qi-certified charger (available separately).

iPhone X gestures

- Go Home.** Swipe up from the bottom edge to return to the Home screen at any time. See [Home screen](#).
- Quickly access controls.** Swipe down from the top-right edge to open Control Center. Press firmly on a control to reveal more options. To add or remove items, go to Settings > Control Center > Customize Controls. See [Control Center](#).
- Switch between recent apps.** Swipe up and pause to show the App Switcher. From any open app, you can also swipe right along the bottom to quickly switch apps.
- Ask Siri.** Just say, "Hey Siri." Or hold down the side button and make your request. Siri listens until you release the button. See [Make requests](#).
- Use Apple Pay.** Double-click the side button to display your default credit card, then glance at iPhone X to authenticate with Face ID. See [Set up Apple Pay](#).
- Use Accessibility Shortcut.** Triple-click the side button. See [Use accessibility shortcuts](#).
- Take a screenshot.** Simultaneously press and quickly release the side button and volume up button.
